The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984, Aomame is riding in a taxi on the expressway, in a hurry to carry out an assignment. Her work is not the kind that can be discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?

"Murakami is like a magician who explains what he's doing as he performs the trick and still makes you believe he has supernatural powers. . . . But while anyone can tell a story that resembles a dream, it's the rare artist, like this one, who can make us feel that we are dreaming it ourselves." —The New York Times Book Review The year is 1984 and the city is Tokyo. A young woman named Aomame follows a taxi driver’s enigmatic suggestion and begins to notice puzzling discrepancies in the world around her. She has entered, she realizes, a parallel existence, which she calls 1Q84 —“Q is for 'question mark.’ A world that bears a question.” Meanwhile, an aspiring writer named Tengo takes on a suspect ghostwriting project. He becomes so wrapped up with the work and its unusual author that, soon, his previously placid life begins to come unraveled. As Aomame’s and Tengo’s narratives converge over the course of this single year, we learn of the profound and tangled connections that bind them ever closer: a beautiful, dyslexic teenage girl with a unique vision, a mysterious religious cult that instigated a shoot-out with the metropolitan police, a reclusive, wealthy dowager who runs a shelter for abused women, a hideously ugly private investigator, a mild-mannered yet ruthlessly efficient bodyguard, and a peculiarly insistent television-fee collector. A love story, a mystery, a fantasy, a novel of self-discovery, a dystopia to rival George Orwell’s—1Q84 is Haruki Murakami’s most ambitious undertaking yet: an instant best seller in his native Japan, and a tremendous feat of imagination from one of our most revered contemporary writers.

The year is 1Q84. This is the real world, there is no doubt about that. But in this world, there are two moons in the sky. In this world, the fates of two people, Tengo and Aomame, are closely intertwined. They are each, in their own way, doing something very dangerous. And in this world, there seems no way to save them both. Something extraordinary is starting.

A long-awaited treat for his fans, 1Q84 is also a thrilling introduction to the unique world of Murakami's imagination. This hypnotically addictive novel is a work of startling originality and, as the title suggests, a mind-bending ode to George Orwell's Nineteen Eighty-Four. (The number 9 in Japanese is pronounced like the letter 'Q'.) The year is 1984. Aomame sits in a taxi on the expressway in Tokyo. She has been on a top-secret mission, and her next job will lead her to encounter the apparently superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange affair surrounding a literary prize to which a mysterious seventeen-year-old girl has submitted her remarkable first novel. It seems to be based on her own experiences and moves readers in unusual ways. Can her story really be true? Part 2 of the novel. A sometimes sensational, sometimes frightening story told in the alternating male and female voices of Tengo and Aomame. Aomame is a 30-year-old working as an assassin for a secret organization who discovers she's been transported to an alternate reality. Tengo is working as a lecturer in mathematics; in his spare time he is a novice writer and editor, working for Komatsu to rewrite Fukaei's manuscript.

Nesse segundo volume, duas histórias em paralelo se cruzam numa história cheia de mistério e eventos surreais. De um lado, Aomame, uma assassina profissional, suspeita estar em um mundo paralelo. De outro, Tengo, um aspirante a escritor, se envolve com um projeto de reescrever um livro misterioso.
