This has led to different countries having a minimum legal drinking age (MLDA). However, MLDA differs for example, the United States has it at 21 years, Denmark with no rule only for purchase of alcohol at 16 years. others have the MLDA at 18 years to as high as 25 years. the question arises as to how this rule ensure no teen drinking.

Legal Drinking Age, Argumentative Essay Sample

Over the years, the legal drinking age in the United States has been heavily debated. Some argue that the legal age to drink should be 18 or 19 because people at that age are recognized as adults; others argue that the drinking age should be 21 because people who are able to drink should be more mature and have their lives better planned out.

Alcohol use by young people is extremely dangerous - both to themselves and society at large. Underage alcohol use is associated with traffic fatalities, violence, unsafe sex, suicide, educational failure, and other problem behaviors that diminish the prospects of future success, as well as health risks " and the earlier teens start drinking, the greater the danger. Despite these serious concerns, the media continues to make drinking look attractive to youth, and it remains possible and even easy for teenagers to get access to alcohol. Why is this dangerous behavior so pervasive? What can be done to prevent it? What will work and who is responsible for making sure it happens? Reducing Underage Drinking addresses these questions and proposes a new way to combat underage alcohol use. It explores the ways in which may different individuals and groups contribute to the problem and how they can be enlisted to prevent it. Reducing Underage Drinking will serve as both a game plan and a call to arms for anyone with an investment in youth health and safety.

Sit Down Comedy is a personal and informal "text" written to help students and instructors with the basics of rhetorical and written discourse. It is my desire that the book be entertaining, accessible, and educational.

This book offers a much needed alternative to the more traditional texts used to teach writing instruction. Grounded in history, the book clarifies changing theoretical and practical approaches to teaching writing, critically assessing each approach in relation to the social and political movements of the day, both within and beyond the university. The author takes us inside the real world of writing instruction; not only from the viewpoint of instructor, but as seen through the eyes of students struggling to make sense of the expectations of writing class. Mitchell emphasizes that "writing" entails far more than putting words to paper, and delves into contextually variable culturally defined expectations, that include multiple linguistic forms - both oral and written - highlighting the complexity of writing(s), while engaging the reader in lively

Online Library Argumentative Essay Drinking Age Should Be Lowered

academic debates about language and society.

Underage drinking and binge drinking are not harmless rites of passage. Rather than serving as some kind of bridge to adulthood, these illicit activities exact a senseless and severe price in blood and brain cells each semester. The proof is in the firsthand student accounts of out-of-control house parties and bar blasts, the testimonies of concerned health care professionals, and the tragic news stories related in this landmark book. The good news is that the damage, injuries, and deaths attributed to binge drinking are avoidable. The solutions offered in *Dying to Drink* will help schools to improve the quality of campus life, parents to ensure the safety of their sons and daughters, and our young people to get the most out of their college years-- without the beer goggles.

THE WRITE START: PARAGRAPHS TO ESSAYS introduces the developing writer to the basic elements necessary for writing effective essays in the academic environment. The Fifth Edition focuses first on writing paragraphs that express thoughts about a topic, and then on expanding the topic to the longer essay format. These skills will help students communicate more effectively and prepare them for the rigors of their first college-level composition course. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"Why develop a booklet about helping kids avoid alcohol?" Alcohol is a drug, as surely as cocaine and marijuana are. It's also illegal to drink under the age of 21. And it's dangerous. Kids who drink are more likely to: * Be victims of violent crime. * Have serious problems in school. * Be involved in drinking-related traffic crashes. This guide is geared to parents and guardians of young people ages 10 to 14. These suggestions are just that--suggestions. Trust your instincts. Choose ideas you are comfortable with, and use your own style in carrying out the approaches you find useful. Your child looks to you for guidance and support in making life decisions--including the decision not to use alcohol .Audience: Parents, child counselors, educators, child psychologists, physicians, school guidance counselors, and teenagers may be interested in this resource.
