Qin Xue Herzberg, a graduate of Beijing Normal University, has taught Chinese for decades and has been an upper-level Chinese professor at Calvin College for ten years. Larry Herzberg did his PhD work in Chinese and founded the Chinese language programs at Albion College and Calvin College. Qin and Larry live in Grand Rapids, Michigan, and are co-authors of the popular China Survival Guide as well as Chinese Proverbs and Popular Sayings.

Essential Mandarin Chinese Grammar is a systematic overview of Mandarin grammar, oriented toward self-study, English-speaking students. Through explanations of common mistakes learners make, useful example sentences and exercises with an answer key, this book provides a detailed introduction to the unique grammar structures of the Mandarin language. Ideal for any student who is interested in taking their skills to the next level, this book makes the difficult task of perfecting grammar efficient, interesting and rewarding. Essential Mandarin Chinese Grammar is a perfect tool to help you form correct and natural-sounding sentences, and determine how to best use the grammar you need for reading or writing Mandarin. Each example and exercise is written in both pinyin and Simplified Chinese Characters to accommodate learners with varying levels of character literacy, including those who have learned only to speak but not read.

The Chinese Grammar Wiki began in 2012 as a modest website with a bold vision: to record all of the grammar structures in the Chinese language, categorize them by difficulty level, explain each one in clear, jargon-free English, and link them all together. Initially the wiki was a resource exclusively for the clients of AllSet Learning's Shanghai-based learning consultancy. But five years later, its popularity among learners has exploded, and the Chinese Grammar Wiki has become the #1 online resource for Chinese grammar among independent learners and college students alike.This book is the third major volume, covering all essential grammar points that an upper intermediate (B2) learner needs to master. Together with the Elementary and Intermediate volumes, the series comprises the most complete single resource on Chinese grammar in print.This volume features:- 160 Upper Intermediate (B2)) grammar points- 200+ separate grammar structures- 1,700+ examples (with pinyin and English translation)- Extensive interlinking of similar grammar points- Bilingual glossary of grammar terms- Learner-centric design
