official opening of the Lieber Institute."  
-- ECIP forward.

When called to do battle many light years from home, the 1st Marine Interstellar Expeditionary Unit rose to the challenge -- and now thousands of enslaved humans have been freed

## Read Free Battlespace

from the alien yoke. But Earth is twenty-one years older than the home planet they originally left, and the Marines need time to retrain and readjust -- time they do not have, due to the bizzare disappearance of a detachment of their brothers- and sisters-in-arms. It is a mystery, but

## Read Free Battlespace

there is a starting point: an ancient wormhole threading through the Sirius system. Whatever waits on the other side must be confronted, with stealth, with force, and without fear -- be it an ancient enemy or a devastating new threat. The Marines are heading into the perilous unknown . . . and what

## Read Free Battlespace

transpires there could reshape the universe for millennia to come.

Color coded terror alerts, invasion, drone war, rampant surveillance: all manifestations of the type of new

## Read Free Battlespace

power Brian Massumi theorizes in *Ontopower*. Through an in-depth examination of the War on Terror and the culture of crisis, Massumi identifies the emergence of preemption, which he characterizes as the operative logic of our time. Security threats, regardless of the existence of credible

## Read Free Battlespace

intelligence, are now felt into reality. Whereas nations once waited for a clear and present danger to emerge before using force, a threat's felt reality now demands launching a preemptive strike. Power refocuses on what may emerge, as that potential presents itself to feeling. This affective logic of

## Read Free Battlespace

potential washes back from the war front to become the dominant mode of power on the home front as well. This is ontopower—the mode of power embodying the logic of preemption across the full spectrum of force, from the “hard” (military intervention) to the “soft” (surveillance). With Ontopower,

# Read Free Battlespace

Massumi provides an original theory of power that explains not only current practices of war but the culture of insecurity permeating our contemporary neoliberal condition.
