occurred since the bra was invented. Women who performed on stage, actresses, grandmothers, mothers, female athletes, women in the workplace, and even church ladies have stuffed their bras. Back in the day, it was called wearing falsies. I

you thought you knew about your bra size. It's wrong. As Ali Cudby explains in her new book, *Busted! The Fab Foundations Guide to Bras that Fit, Flatter and Feel Fantastic*, the secret to finding your ideal bra is to stop measuring for bra size, and begin

to focus on fit. Wearing the right bra is not just a matter of fashion - it's a matter of health and self-esteem. And yet 70-85% of women are wearing the wrong bra size. Even women who know their bras are uncomfortable and ill-fitting grab the
