Adams also talks about this phenomenon in the context of professional stock analysts in his book Dilbert and the Way of the Weasel. As he points out

Where To Download Dilbert And The Way Of The

Professional stock analysts can do something that you can't do on your own, and that is to talk directly to senior management of the company. That's how a stock analyst gets all the important inside scoop not available to the general public, including important CEO quotes like this:

The future looks good!
