Scenes from a Memory is an unabashed concept album told in two acts, about the 1928 murder of a young woman and how a modern man is haunted by the crime. A convoluted, difficult tale is told in a convoluted, difficult fashion, with no less than four tracks clocking in at well over ten minutes and three others ranging from 6:30 to 8:50. Clearly, this is intended as some sort of masterwork, and what's remarkable is that Dream Theater comes close to creating just that with Scenes from a Memory.

No other band has affected modern progressive metal as deeply or widely as American quintet Dream Theater. Formed at Berklee College of Music as Majesty in 1985 by guitarist John Petrucci, drummer Mike Portnoy, and bassist John Myung, the group has spent thirty years repeatedly pushing new boundaries and reinventing their identity. Although other acts - such as Queensrÿche and Fates Warning - paved the way for the prog-metal subgenre, Dream Theater were without doubt the first to meld influences from both metal and progressive rock into a groundbreaking blend of quirky instrumentation, extensively complex arrangements, and exceptional songwriting. Whether subtly or overtly, they've since left their mark on just about every progressive metal band that's followed. In this book, Jordan Blum examines virtually all Dream Theater collections, and their behind-the-scenes circumstances, to explore how the group distinctively impacted the genre with each release. Whether classics of the 1990s like Images and Words and Metropolis Pt. 2: Scenes from a Memory, benchmarks of the 2000s like Six Degrees of Inner Turbulence and Octavarium, or even thrilling modern efforts like A Dramatic Turn of Events and Distance Over Time, every sequence of albums contributes something crucial to making Dream Theater's legacy nothing short of astonishing.

Excerpt: Dream Theater is an American progressive metal band formed in 1985 under the name Majesty by John Petrucci, John Myung, and Mike Portnoy while they attended Berklee College of Music in Massachusetts. They subsequently dropped out of their studies to further concentrate on the band that would ultimately become Dream Theater. Though a number of lineup changes followed, the three original members remained together along with James LaBrie and Jordan Rudess until September 8, 2010 when Portnoy left the band. In October 2010, the band held auditions for Portnoy's replacement drummer. Mike Mangini was announced as the new permanent drummer on April 29, 2011. The band finished recording a new album, A Dramatic Turn of Events, which is due September 13, 2011.. The band is well known for the technical proficiency of its instrumentalists, who have won many awards from music instruction magazines. Guitarist John Petrucci has been named as the third player on the G3 tour six times, ..
