NEW EDITION!! Well... it seems that these animals don't want to take their medicine! But step by step, each one discovers that taking medicine is very important for the animals, as well as for the children! A

# Download Free English Time 5 Workbook

funny way to learn and a funny way to teach. As everyone knows how difficult it can be to explain to young children how important it is to take medicine...---THE BOOK OF THE ANIMALS:FUN LEARNING FOR CHILDREN AND PARENTS

What are certainly the most occurring moments in a parent's life? When their child doesn't want to wash, eat, sleep, go to school, share, take medicine, get vaccinated... And what can a parent answer to these refusals?

The successful "Book of The Animals" bilingual children's books series was created with the aim to help both parents and children to discover the benefits of washing, eating, sleeping, going to school, sharing, taking medicine, getting vaccinated... in a fun as well as educational manner. Since the books are also bilingual, parents will enjoy the teaching and the interactivity they can gain from reading them with their children.

THE AUDIENCEThe books are geared towards children aged 2-5, before elementary/primary school. They will likely be bilingual children whose parents want to encourage the learning of their two current languages. They will also be children whose parents want to teach a language at a young age. Some teachers have also been using the books of the series as a way to teach a second language to children, with themes easy for them to both understand and memorise.

THE CURRENT BOOKSThere are currently seven books in the series. Each episode brings on new animals, new words, new situations and new stories.

- Ep.1. "These Animals... Don't Want to Wash!" (2008)
- Ep.2. "These Animals... Don't Want to Eat!" (2009)
- Ep.3. "These Animals... Don't Want to Sleep!" (2010)
- Ep.4. "These Animals... Don't Want to Go to School!" (2011)
- Ep.5. "These Animals... Don't Want to Share!" (2011)
- Ep.6. "These Animals... Don't Want to Take their Medicine!" (2012)
- Ep.7. "These Animals... Don't Want to Get Vaccinated!" (2012)

The books are all available in either bilingual or monolingual versions:- Bilingual versions: English-French, English-Portuguese, English-Italian, English-Spanish, English-Swedish, English-Creole, English-Japanese...More versions still to come! Check out the official website:

www.TheBookOfTheAnimals.comREVIEW"The Book of the Animals is a planned series of illustrated books for young children. [...] These delightful books tell the story of what happens when the animals in the stories, like many young children, don't want to eat and don't want to wash...The books are very suitable both for reading to young children and for older children to use to learn to read in both languages. They might even persuade them to wash and eat their dinner!The repetitive structure is supportive of children learning new words and the illustrations work well alongside the text to help understanding of unfamiliar words.I can easily imagine young children demanding repeat readings and enjoying learning the text by heart as many children do with favourite stories. Children learning to make up and write their own stories might well want to write a personalised version, using the structure as a prop.I think the stories would work well both in the home and in the classroom."(Review published in The Cass School of Education, by Dr Raymonde Sneddon, Research Fellow for "The Cass School of Education" at the University of East London, and Honorary Research Fellow of Birkbeck College, in the Department of Applied Linguistics)SUPPORT"The Book of The Animals' series is supported & recommended by ABRIR UK, a Brazilian Association for Educational Projects in the United Kingdom. www.Abrir.org.ukOfficial website: TheBookOfTheAnimals.com

After escaping the claws of Corrigan, the Lord Alpha of the Brethren, Mack is trying to lead a quiet lonely life in Inverness in rural Scotland, away from anyone who might happen to be a shapeshifter. However, when she lands a job at an old bookstore owned by a mysterious elderly woman who not only has a familiar passion for herbal lore but also seems to know more than she should, Mack ends up caught in a maelstrom between the Ministry of Mages, the Fae and the Brethren. Now she has to decide between staying hidden and facing the music, as well as confronting her real feelings for the green eyed

power of Corrigan himself. This is the second book in the popular urban fantasy series, Blood Destiny.

A six-level communicative course packed with pictures, music, and activities.

English Time progresses at a steady pace, offering students many opportunities to practise each new language item. The short units give students the feeling that they are progressing rapidly, building confidence and motivation. Each unit in the Student Books follows the same format, making them easy to use for both students and teachers. Conversation Time includes idiomatic words, responses, and questions used in everyday English. Exceptionally colourful, humorous art captures students interest and enthusiasm, drawing them into the pages to explore and experience the language. The continuing characters Ted, Annie, and Digger help to maintain student interest and involvement. The series is designed to be preceded by the two-level introductory series, Magic Time. These two series can be used separately or as one complete eight-level course.

Packed with interactive illustrations, stories, and activities, English Time is a six-level course that develops students' speaking, listening, reading, and writing skills - while they have fun. English Time offers every child the opportunity to learn English successfully through its unique Big Picture approach, stories, songs, craft activities, and clear grammar presentation.
