If her love life is going down in flames, she might as well spark a revolution. Finding out on your sixteenth birthday you're a shape-shifting dragon is tough to swallow. Being hauled off to an elite boarding school is enough to choke on. Since Bryn is the only crossbreed at the Institute for Excellence, all eyes are on her, but it's a particular black dragon, Zavien, who catches her attention. Zavien is tired of the Directorate's rules. Segregated clans, being told who to love, and close-minded leaders make freedom of choice almost impossible. The new girl with the striped hair is a breath of fresh air, and with Bryn's help, they might be able to change the rules. At the Institute, old grudges, new crushes, and death threats are all part of a normal day for Bryn. She'll need to learn to control her dragon powers if she wants to make it through her first year at school. But even focusing on staying alive is difficult when you're falling for someone you can't have... The Going Down in Flames series is best enjoyed in order

Bryn is back for her senior year at the Institute for Excellence, also known as shape-shifting dragon school. She isn't sure which is scarier, the life-force sucking dragons stalking campus or the fact that she's officially betrothed to Jaxon, a guy who will never love her. Not that she could ever love him, either... That's just ridiculous. Senior year should be fun. Her parents are alive, she's finally fitting in, and she's learning how to be a Medic. But what's with Jaxon giving her strange looks? He runs hot and cold, and he doesn't even have the excuse of being a hybrid fire-and-ice-breathing dragon like her. One minute they're having a great time and the next, she wants to blast a fireball at his head. The marriage contract of doom looms over them--unless this match not made in heaven kindles a flame... Since discovering she is a shape-shifting dragon, Bryn McKenna has seen her world thrown into chaos. Being a "crossbreed"—part Red dragon and part Blue—means Bryn will never fit in. Not with dragon society. Not with the archaic and controlling Directorate. And definitely not when she has striped hair and a not-so-popular affection for rule-breaking... But sneaking around with her secret boyfriend, Zavien, gets a whole lot harder when he's betrothed to someone else. Someone who isn't a mixed breed

and totally forbidden. And for an added complication, it turns out Bryn's former archnemesis Jaxon Westgate isn't quite the evil assthat she thought. Now she's caught between her desire to fit in and a need to set things on fire. Literally. Because if Bryn can't adapt to the status quo...well, then maybe it's time for her to change it. "The wait for this book was absolutely worth it. From beginning to end, this book did not disappoint. Another fantastic story by Chris Cannon." -No Escape Like a Book Bryn's hopes for a peaceful new semester at school go up in smoke when someone tries to kill her—again. She's not sure which is scarier, facing the radicals who want to sacrifice her for their cause, or her impending nightmare of a Directorate-arranged marriage to her nemesis, Jaxon. The one bright spot in her life is Valmont, her smoking-hot knight who is assigned to watch over her twenty-four hours a day. Is what she feels for him real or just a side effect of the dragon-knight bond? At this point, stopping the impending civil war might be easier than figuring out her love life. She may have to live in their world, but she doesn't have to play by their rules. Bryn McKenna has it all, including her smoking-hot knight turned live-in boyfriend, Valmont. Even though she's a hybrid dragon, she's finally fitting into the new shape-shifting dragon world that's become her own. But her grandparents want to ruin everything by making Bryn's nightmare of an arranged marriage to Jaxon Westgate a reality. It doesn't help that Jaxon's father is on a witch hunt for Rebel sympathizers and Bryn finds herself in his line of fire. If she doesn't say, "I do," she'll lose everything. Good-bye flying. Good-bye best friends. Good-bye magic. But if she bends to her grandparents' will and agrees to marry Jaxon, she'll lose the love of her life—her knight. Before they can save the world from the monstrous phantoms, four girls who have the power to control the classical elements: earth, air, fire, and water must first try to figure out how to work together.

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote

and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

#1 NEW YORK TIMES BESTSELLER □ A modern, sophisticated suspense novel from National Book Award finalist, and Printz Award honoree E. Lockhart. A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. Read it. And if anyone asks you how it ends, just LIE. "Thrilling, beautiful, and blisteringly smart, *We Were Liars* is utterly unforgettable." □John Green, #1 New York Times bestselling author of *The Fault in Our Stars*

I remember when I thought my life would be like the fairy tales I read about. I'd do anything to go back in time when everything was so simple. When my knight in shining armor had a face and a name. When my biggest secret was that I snuck out at night to watch the stars. I'm worried that there's a sickness in me, swallowing me whole. I don't understand what's happening to me. I don't understand why the only person I can find solace in is someone I can't see. I should want justice. But I don't. I want revenge. I need vengeance like I need the air I breathe. No one can feel my pain. No one can see just how badly I've been burned. I've danced in the flames my whole life. I know how to live in the fire. But I've never come out unscathed. A piece of me always turns to ash and there is no going back. I can never be that little girl again. I'm no princess. I'm the villain. I've been consumed by the flames, and I want everything in my path to burn.
