A really useful thing you can do as you learn to use your Sony camera is to add settings to the My Menu section, which is located on the far right and represented by the Star icon. You can add a list of settings you use the most, or that you simply want to access quickly. There is space for four pages.

Sony A7 III, A7R III, A9 Menu and Button Set-up Guide

I find it much more useful in combination with the magnified view, but too distracting in unmagnified view, so usually I don't use it. I wished Sony would give us the possibility to use it in magnified view only. For a more detailed discussion of these techniques please read my manual lenses beginners guide.
