The dramatic and spectacular story of an American music icon—the immortal Tina Turner! From Nutbush, Tennessee, to Hollywood stardom; from Ike’s Kings of Rhythm to onstage with Mick Jagger and the Stones; and from the lowest lows to the highest highs, Tina Turner has seen it, done it, suffered it, and survived it all. In her monumental bestseller I, Tina—the basis for the Academy Award-nominated motion picture What’s Love Got to Do with It—she tells it like it really was . . . and really is. This book is a superstar’s honest and intimate account of struggle and pain, love and abuse, glory and tragedy, and one of the greatest comebacks in music history.

In this New York Times bestseller, Tina Turner—the long-reigning queen of rock & roll and living legend—sets the record straight about her illustrious career and complicated personal life in this eye-opening and compelling memoir. From her early years in Nutbush, Tennessee to her rise to fame alongside Ike Turner to her phenomenal success in the 1980s and beyond, Tina candidly examines her personal history, from her darkest hours to her happiest moments and everything in between. My Love Story is an explosive and inspiring story of a woman who dared to break any barriers put in her way. Emphatically showcasing Tina’s signature blend of strength, energy, heart, and soul, this is a gorgeously wrought memoir as enthralling and moving as any of her greatest hits.

Collects rare photos of, quotes from and about the rock icon.

On the surface, Lena Spencer appears to have it all. She and her wealthy husband Randall have two wonderful children, and they live a life of luxury. In reality, however, Lena finds that happiness is elusive. Randall is emotionally distant, her son has developed a drug habit, and her daughter is disgusted by her mother's "overbearing behavior." When Randall decides that he's had enough of marriage counseling, he offers his wife an ultimatum: "Be grateful for all I've done for you or leave." Lena, realizing that money can't solve her problems and that her husband is no longer the man she married, decides to choose the latter. Drawing strength from Tina Turner's life story, SEARCHING FOR TINA TURNER is Lena's struggle to find herself after 25 years of being a wife and mother.

Dorothy Carvello knows all about the music biz. She was the first female A&R executive at Atlantic Records, and one of the few in the room at RCA and Columbia. But before that, she was secretary to Ahmet Ertegun, Atlantic's infamous president, who signed acts like Aretha Franklin and led Zeppelin, negotiated distribution deals with Mick Jagger, and added Neil Young to Crosby, Stills & Nash. The stories she tells about the kingmakers of the music biz are outrageous, but it is her sinuous friendship with Ahmet that frames her narrative. He was notoriously abusive, sexually harassing Dorothy on a daily basis. Carvello reveals here how she flipped the script and showed Ertegun and every other man who tried to control her that a woman can be just as willing to do what it takes to get a hit. Never-before-heard stories about artists like Michael Jackson, Madonna, Steven Tyler, Bon Jovi, INXS, Marc Anthony, and many more make this book a must-read for anyone looking for the real stories on what it takes for a woman to make it in a male-dominated industry.

The narrative of Tumult! The Incredible Life and Music of Tina Turner is an extended exploration of the magical transformation of shy country girl Anna Mae Bullock into the boisterous force of nature we know today as Tina Turner. This is creative alchemy in action: turning into Turner is actually also the captivating tale of someone who was already precociously there, a stellar talent just waiting to emerge and grab the global spotlight. Far from the early myths attached to her name by association with her talented but tormenting producer-husband, she was not a Svengali-like creation at all, but rather a fully formed, if vulnerable, young musical prodigy who was going to burst out of the creative shell imposed upon her one way or the other. Even though it took sixteen years to do so, her second career as a solo pop artist is the achievement for which she is rightly remembered. In Turner, we have a case study in triumph over adversity and sheer creative will power: singer, songwriter, dancer, actress, feminist icon. Often referred to as the Queen of Rock and Roll, she has sold over two hundred million records and sold more live concert tickets than any other solo performer in history. In 2019, she celebrated her eightieth birthday and was also lionized in the live Broadway version of her incredible life story, Tina: The Musical, starring Adrienne Warren. In Tumult!, we unearth and examine what uncanny skills enabled her to connect with so many people at such a deep heart-to-heart level. She is, in fact, a beating human heart in high heels.

Ike and Tina Turner were one of the rock sensations of the Sixties. Then Tina made a solo comeback and is now one of the top female performers on the pop scene. This book tells the story that lies behind her success, from her first taste of stardom and the brutality which forced her to leave Ike and the act, through the years of obscurity to her return to prominence with her bestselling, award-winning album, Private Dancer.

Follow along as Tina shares her Turner Syndrome journey to educate other girls about living with this condition. Journal pages throughout the story open the door to greater discussion. This is a great tool to share a diagnosis or to help a young girl come to terms with a recent diagnosis. This is the companion to a Turner Syndrome Foundation video.

Tina Turner—living legend, icon to millions, and author of the “brave and wry” (Vulture) memoir My Love Story—returns with a deeply personal book of wisdom that explores her longstanding faith in Buddhism and provides a guide to these timeless principles so you can find happiness in your own life. I dedicate this book to you...in honor of your unseen efforts to triumph over each problem life sends your way. Tina is a global icon of inspiration. And now, with Happiness Becomes You: A Guide to Changing Your Life for Good, Tina shows how anyone can overcome life’s obstacles—even transform the “impossible” to possible—and fulfill our dreams. She shows how we, too, can improve our lives, empoering us with spiritual tools and sage advice to enrich our unique paths. Buddhism has been a central part of Tina Turner’s life for decades and, in music, film, and live performances, she has shined as an example of generating hope from nothing, breaking through all limitations, and succeeding in life. Drawing from the lessons of her own life, from adversity to stratospheric heights, Tina effortlessly shows how the spiritual lessons of Buddhism help her transform from sorrow, adversity, and poverty into joy, stability, and prosperity. Now, Tina offers the wisdom of an extraordinary lifetime in Happiness Becomes You making this the perfect gift of inspiration for you or a loved one.
