created through instant manifestation with our minds. We are back now to bring these energies through to help our Mother Earth.

In On Assignment with Adama, you will meet Adama as I did, atop Mt Shasta in California in 1999. I quite unexpectedly heard his voice speak to me. Hearing the message that day, I agreed to begin a work with Adama on behalf of humanity. I agreed to travel throughout the Earth, visit and seal thirty six Sacred Earth sites with Adama and the Lemurians. Dedicated to the Light of The Highest, El Elyon, God Most High, these sites are reserved, sacred sites for the coming evolution of mankind. They will assist in the transition, ascension of humanity; our evolution. In this agreement, the Lemurian peoples will

come at the time of our ascension, hold the integrity of the earth at these sites, and stabilize time for us. Adama is Holy and the people of Telos, or Shambhala, are an ascended, future people. They are an aspect of our future selves. You will learn much about them and the culture of Lemuria, their history and their hopes for humanity as they now contact us. You will journey with me to the first two sites, one in Central America, and experience the Shambhala Energy. The Lemurians and the Ancients offer much to the world at this time and it is interwoven with the revelations of higher Truths and their teachings in this writing. Secrets are revealed! Earth Healing, activation of sites and the Crystal Skulls of the Maya were directed by the Lemurians and the Angelic realm. The ancient Mayan

Gods and Spirits intervened to assist the completion of my task. They also had a few incredible side jobs planned for me while I was in Belize Central America! I returned with their Universal Gift to humanity! You'll learn a lot more about that in my next book. In Book II, We The Lemurians Shall Come, the journey continues and the excitement grows!

A pocket-size guidebook to the Energy Sites of Lemuria along the Central Coast of California. This handbook was written in the spirit of a joyful reconnection to the legacy given to us by our ancient ancestors, the Lemurians. Author Christine Aloisio welcomes you to come and re-energize and renew yourself with the wisdom that was left here for our evolution!

Imagine reading a book written millions of years ago from within great, walled Lemurian monasteries where narrators look back and forward at the same time, chronicling mankind's journey to Earth from the Pleiades and other planets in the pursuit of unfolding into the ultimate attainment, realization of the timeless, formless, spaceless Self within. Lemurian Scrolls is just that book. This ancient manuscript was not found etched on a cave wall or buried in forgotten ruins, but rather discovered through the practice of an inner archeology, the use of the third eye to read the akashic records. Many books exist in the inner akashic, library, and Satguru Sivaya Subramuniaswami chose to share the chapters that comprise these

Scrolls as a further effort to help us all realize where we came from, where we are going, and how to connect with our innate Divinity.

The mysterious civilizations of Lemuria and Atlantis become reality as Shirley Andrews, the author of *Atlantis: Insights From a Lost Civilization* combines details from scholars, scientists and the respected psychic Edgar Cayce. Her sober portrayal of disturbing parallels between the spiritual decay of Atlantis and our modern world, and her reasonable explanations for the vivid dreams and past life memories recounted by numerous people about life on the lost lands enhance this fascinating book.

enhance your life and well-being with crystals and gemstones." —Jack Canfield, #1 New York Times bestselling author and cocreator of the Chicken Soup for the Soul series

Sixty thousand years ago, Earth had two more continents than it does today, each larger than what we now know as Australia. Why are they no longer there? One of these additional continents, Atlantis, was located in the Atlantic Ocean between North America and Africa. The other, Lemuria, was located in the Pacific Ocean. In this book, you ' ll learn all about these huge continents and the great civilizations who called them home. What did they look like? What was daily life like for them? What happened to them? Tom asks these intriguing questions and many more.
