Looking For Alaska Kindle Edition
Alaska, by James Michener is not just a long story. Rather, Alaska is an epic in the original sense - a story that is told over the course of epochs, involving generations of characters and genealogies. The story begins with the forming of the continent of North America and takes the reader through modern times.

Looking For Alaska Kindle Edition Looking for Alaska is a bitterly interesting of a teen, “Pudge” as we come to know him, who is your average, awkward high school boy. Well, except for the fact that he is enthralled with people’s last words, one of his favorites being the “Great Perhaps.” This prompts Pudge to move away from his home to

Looking For Alaska Kindle Edition
The invasion of Alaska has begun. And the Third World War may not be far behind. In this controversial book, Vaughn Heppner explores the theme of a shattered America facing the onslaught of the new colossus in the East: Greater China. The time is 2032, and the Chinese are crossing the polar ice and steaming through the Gulf of Alaska.

Invasion: Alaska (Invasion America, #1) by Vaughn Heppner
Five Hundred Feet Above Alaska is the story of Peter Connors, a young man who moves to Alaska in pursuit of his dream of becoming a commercial pilot. While the pilots in Alaska are known for their superior airmanship, they are also famous for their disregard of the rules that govern them.

WARNING: This is not the actual book Looking for Alaska by John Green. Do not buy this reading Sidekick if you are looking for a full copy of this great book.Use this expert sidekick to dissect these themes in Looking for Alaska, while enjoying a detailed analysis of each chapter of the book. If that wasn't enough, we close with potential questions and responses to help you get the conversation started with co-workers, friends, or fellow book club members.This newly discovered gem from the past (2005) has become a must-read, thanks in no small part to the success of Green's 2012 masterpiece: The Fault in Our Stars. As many Green fans have already discovered, our sidekick is the ultimate go-to source for understanding the complexities of John Green's tales of teen angst and tragedy. Looking for Alaska tells the story of Miles Halter, a 16-year-old with a nondescript life who is seeking a "Great Perhaps." In his quest, he finds himself at the Culver Creek Boarding School, where his past life of boredom and safety takes a back seat to adventure and sexual experimentation.His trek to the other side of the tracks takes him only a few steps, as he meets Alaska Young just down the hall at school. She is sexy, funny, and everything else that makes teenage boys drool. She is also a self-destructive sort, headed toward the "After" portion of Looking for Alaska, where everything comes crashing down. As our sidekick details, the themes of life and death weave their way through the novel, drawing the characters closer together while preparing them for something that will rip them apart.

Includes an essay on organizing the timeline of the book, author Q&A, and essay on the book's history and influence.

More than twenty years ago, a disillusioned college graduate named Peter Jenkins set out with his dog Cooper to look for himself and his nation. His memoir of what he found, A Walk Across America, captured the hearts of millions of Americans. Now, Peter is a bit older, married with a family, and his journeys are different than they were. Perhaps he is looking for adventure, perhaps inspiration, perhaps new communities, perhaps unspoiled land. Certainly, he found all of this and more in Alaska, America's last wilderness. Looking for Alaska is Peter's account of eighteen months spent traveling over twenty thousand miles in tiny bush planes, on snow machines and snowshoes, in fishing boats and kayaks, on the Alaska Marine Highway and the Haul Road, searching for what defines Alaska. Hearing the amazing stories of many real Alaskans--from Barrow to Craig, Seward to Deering, and everywhere in between--Peter gets to know this place in the way that only he can. His resulting portrait is a rare and unforgettable depiction of a dangerous and beautiful land and all the people that call it home. He also took his wife and eight-year-old daughter with him, settling into a "home base" in Seward on the Kenai Peninsula, coming and going from there, and hosting the rest of their family for extended visits. The way his family lived, how they made Alaska their home and even participated in Peter's explorations, is as much a part of this story as Peter's own travels. All in all, Jenkins delivers a warm, funny, awe-inspiring, and memorable diary of discovery--both of this place that captures all of our imaginations, and of himself, all over again.

The award-winning, genre-defining debut from John Green, the #1 bestselling author of The Anthropocene Reviewed and The Fault in Our Stars Winner of the Michael L. Printz Award • A Los Angeles Times Book Prize Finalist • A New York Times Bestseller • A USA Today Bestseller • NPR's Top Ten Best-Ever Teen Novels • TIME magazine's 100 Best Young Adult Novels of All Time • A PBS Great American Read Selection • Millions of copies sold! First drink. First prank. First friend. First love. Last words. Miles Halter is fascinated by famous last words—and tired of his safe life at home. He leaves for boarding school to seek what the dying poet François Rabelais called the “Great Perhaps.” Much awaits Miles at Culver Creek, including Alaska Young, who will pull Miles into her labyrinth and catapult him into the Great Perhaps. Looking for Alaska brilliantly chronicles the indelible impact one life can have on another. A modern classic, this stunning debut marked #1 bestselling author John Green’s arrival as a groundbreaking new voice in contemporary fiction. Newly updated edition includes a brand-new Readers’ Guide featuring a Q&A with author John Green

Sixteen-year-old Miles' first year at Culver Creek Preparatory School in Alabama includes good friends and great pranks, but is defined by the search for answers about life and death after a fatal car crash. An ALA Best Book for Young Adults & ALA Quick Pick. Reprint.

"Fresh, fun and romantic." —SARAH MORGAN, USA Today bestselling author of A Wedding in December He had a strict "no tourists" policy... Until she broke all of his rules. When Graham Barnett named his diner The Tourist Trap, he meant it as a joke. Now he's stuck slinging reindeer dogs to an endless parade of resort visitors who couldn't interest him less. Not even the sweet, enthusiastic tourist in the corner who blushes every time he looks her way... Two weeks in Alaska isn't just the top item on Zoey Caldwell's bucket list. It's the whole bucket. One look at the mountain town of Moose Springs and she's smitten. But when an act of kindness brings Zoey into Graham's world, she may just find there's more to the grumpy local than meets the eye...and more to love in Moose Springs than just the Alaskan wilderness. Readers are falling in love with The Tourist Attraction: "Utterly charming—a delightful debut." —LAUREN LAYNE, New York Times bestselling author of the Central Park Pact series "An enchanting romcom debut! I loved it." —TERI WILSON, award-winning author of The Accidental Beauty Queen "After reading Sarah Morgenthaler's darling debut, I wanted to hop a plane to Alaska and find my own grumpy cinnamon roll hero!" —MELONIE JOHNSON, award-winning author of Smitten by the Brit "Prediction: Readers will stampede to Alaska looking for The Tourist Trap and their own Graham after they read the first chapter of The Tourist Attraction. Sarah Morgenthaler's Alaska is so vivid and amusing that it really should be a real place in the world!" —SARINA BOWEN, USA Today bestselling author of the True North series

"Jennifer Snow is one clever writer."—RT Book Reviews The Alaskan wilderness may be the best place to protect her client, but also where it's impossible to protect her heart. Needing a safe place to hide her latest client, agent Leslie Sanders returns to her hometown of Wild River to wait out the search for the young Hollywood star's stalker. Just being back in Alaska is stirring up emotions she'd buried, and as much as Leslie believed she was moving on with her life in LA, she's still not over the death of her fiancé. The sun, sand and surf made it easy to forget cold Alaskan nights snuggled by the fire, planning a future with Dawson...but seeing Levi Grayson just makes everything that much harder. Levi Grayson has been one of Alaska's elite group of wildland firefighters for almost ten years, but nothing about his job rattles him as much as seeing Leslie again. When Leslie left Wild River after Dawson's death, it had hurt to lose his two best friends in a matter of weeks. Resisting his feelings for her when Dawson was alive was tough, but he's not sure he's strong enough anymore to fight the attraction between them, or to let this last chance at love slip away like smoke through his fingers. A Wild River Novel Book 1: An Alaskan Christmas Book 2: Under an Alaskan Sky Book 3: A Sweet Alaskan Fall Book 4: Stars Over Alaska

An offbeat, often hilarious crime novel set in the sleepy Alaskan town of Cold Storage from the Shamus Award winning author of the Cecil Younger series. Cold Storage, Alaska, is a remote fishing outpost where salmonberries sparkle in the morning frost and where you just might catch a King Salmon if you're zen enough to wait for it. Settled in 1935 by Norse fishermen who liked to skinny dip in its natural hot springs, the town enjoyed prosperity at the height of the frozen fish boom. But now the cold storage plant is all but abandoned and the town is withering. Clive "The Milkman" McCahon returns to his tiny Alaska hometown after a seven-year jail stint for dealing coke. He has a lot to make up to his younger brother, Miles, who has dutifully been taking care of their ailing mother. But Clive doesn't realize the trouble he's bringing home. His vengeful old business partner is hot on his heels, a stick-in-the-mud State Trooper is dying to bust Clive for narcotics, and, to complicate everything, Clive might be going insane—lately, he's been hearing animals talking to him. Will his arrival in Cold Storage be a breath of fresh air for the sleepy, depopulated town? Or will Clive's arrival turn the whole place upside down?
