"Inspired by one of the oldest traditional games of chance, this book will introduce your little one to their first English and Spanish words"--Page 4 of cover.

Inspired by one of the oldest and most beloved traditional Spanish folk songs, De Colores,this book introduces little ones to the beauty of life, joy, inclusivity, and their first English and Spanish words. In this beautifully illustrated bilingual picture book, parents and children will be able to read and sing one of the most recognizable Spanish folk songs, De Coloresfeaturing an English adaptation on each page. The book is overflowing with colorful illustrations as it pays a tribute to cultures throughout the world.

A Lil' Libros Bilingual Biography Introduce little ones to the life of legendary Ritchie Valens in both English and Spanish! Born May 13, 1941, Richard Steven Valenzuela, better known as Ritchie Valens, was a Mexican-American singer, songwriter, and guitarist. His musical journey began in Pacoima, California, at age 5, when his father encouraged him to take up guitar. In high school, he made his performing debut with his band, the Silhouettes. At age 17, Ritchie recorded his final record, which included the songs "Donna" and "La Bamba." That record went on to sell over one million copies. To this day, Ritchie's music continues to live in the hearts of many! Unable to find bilingual first concept books she could enjoy reading to her baby, Patty Rodriguez came up with the idea behind Lil' Libros. Patty and her work have been featured in the Los Angeles Times, Rolling Stone, CNN Latino, Latina Magazine, Cosmopolitan, People En Espanol, Cosmo Latina, and American Latino TV, to name a few. She is currently Sr. Producer for On Air With Ryan Seacrest-iHeartMedia, jewelry designer for MALA by Patty Rodriguez, and creator of Manolos And Tacos. Ariana Stein, a graduate from California State University, Dominguez Hills, has a Bachelor's Degree in Business Administration. Ariana spent the first eight years of her professional career in the corporate world. Her life changed with the birth of her baby boy. She immediately realized that bilingualism played a very important role in his future, as well as the future of other children.

Everyone has kisses for Baby, from Mami and Papi to perro and gato. Using simple Spanish words, this charming read-aloud proves that love is the same in every language! Parents won't be able to resist giving baby muchos besos as they share this bilingual read aloud, filled with bold, graphic illustrations, with their little bebé!

From 'boat' and 'car' to 'apple' and 'banana' this book provides the youngest readers with the fundamental first words that will form the foundation of their vocabulary. Babies and toddlers will love the brightly colored images on every page, and the board book format is the perfect size for little hands to hold.

Introducing Spanish/English bilingualism, Lil' Libros encourage parents to read to their children at the earliest age--focusing on subjects they are familiar with, while making it fun and rewarding for both parent and child.

Back and better than ever! Loteria More First Words / Más Primeras Palabras continues the fun with the sequel to Lil' Libros' best-selling First Words series inspired by the classic game. Enjoy ten more bilingual words to encourage kids to use their motor skills for memory, matching, and vocabulary!

This book serves as both a textbook and reference for faculty and students in LIS courses on storytelling and a professional guide for practicing librarians, particularly youth services librarians in public and school libraries. Storytelling: Art and Technique serves professors, students, and practitioners alike as a textbook, reference, and professional guide. It provides practical instruction and concrete examples of how to use the power of story to build literacy and presentation skills, as well as to create community in those same educational spaces. This text illustrates the value of storytelling, cover the history of storytelling in libraries, and offer valuable guidance for bringing stories to contemporary listeners, with detailed instructions on the selection, preparation, and presentation of stories. They also provide guidance around the planning and administration of a storytelling program. Topics include digital storytelling, open mics and slams, and the neuroscience of storytelling. An extensive and helpful section of resources for the storyteller is included in an expanded Part V of this edition. Offers readers a thorough overview of the role of story and storytelling in the library Gives a convincing argument for the value of storytelling Provides practical tips on selecting, preparing, and telling stories Presents insights on storytelling to specific populations, including children, young adults, and those with special needs Includes an extensive list of resources

A radical educator’s paradigm-shifting inquiry into the accepted, normal demands of school, as illuminated by moving portraits of four young “problem children” In this dazzling debut, Carla Shalaby, a former elementary school teacher, explores the everyday lives of four young “troublemakers,” challenging the ways we identify and understand so-called problem children. Time and again, we make seemingly endless efforts to moderate, punish, and even medicate our children, when we should instead be concerned with transforming the very nature of our institutions, systems, and structures, large and small. Through delicately crafted portraits of these memorable children—Zora, Lucas, Sean, and Marcus—Troublemakers allows us to see school through the eyes of those who know firsthand what it means to be labeled a problem. From Zora’s proud individuality to Marcus’s open willfulness, from Sean’s struggle with authority to Lucas’s tenacious imagination, comes profound insight—for educators and parents alike—into how schools engender, exclude, and then try to erase trouble, right along with the young people accused of making it. And although the harsh disciplining of adolescent behavior has been called out as part of a school-to-prison pipeline, the children we meet in these pages demonstrate how a child’s path to excessive punishment and exclusion in fact begins at a much younger age. Shalaby’s empathetic, discerning, and elegant prose gives us a deeply textured look at what noncompliance signals about the environments we require students to adapt to in our schools. Both urgent and timely, this paradigm-shifting book challenges our typical expectations for young children and with principled affection reveals how these demands—despite good intentions—work to undermine the pursuit of a free and just society.

Wildlife expert and Emmy Award-winning Coyote Peterson brings his 12.5 million YouTube subscribers and legions of kid fans a full-color exploration of his "Sting Zone" adventure series, featuring shots from the episodes and culminating in his thrilling encounter with the "King of Sting"--the Executioner Wasp. Coyote Peterson, YouTube star, animal enthusiast, and creator of the Brave Adventure series, has tracked down some of the world's most painfully stinging insects and chronicled getting stung by each of them on his YouTube channel. Coyote has saved the best--or possibly the worst--for last, and he's finally ready to share his experience with the most painful sting in the world: the Executioner Wasp. Featuring full-color stills from his show, and packed with facts about nature's most misunderstood creatures, King of Sting is a dream book for any kid that loves animals, bugs, outdoor exploration, and danger!
