Over half of Americans expect Election Day to be the most stressful day of their lives thus far, according to new research. According to a recent survey that asked 2,000 U.S. adults to evaluate their current mental health, 55% believe that November 3, 2020 will be the tensest day yet this year. In addition, 59% say they can't imagine being more stressed than they've been this year, and 67% ...
