This is Eltek. Eltek is a world leader in high-efficiency power electronics and energy conversion. As a global corporation, Eltek has customers in more than 100 countries across a variety of industries including telecom, rail and infrastructure, power generation, power distribution and solar energy.

Welcome to Eltek - Start

The Eltek Converged Power System (CPS) is the ultimate combination of flexibility, availability, and sustainability, providing a unique modular architecture that will solve any present and future power need. Whatever the load requirements, or voltage levels, AC and DC, all can be provided by the same infrastructure.
