Red Seas Under Red Skies “ Lynch hasn ’ t merely imagined a far-off world, he ’ s created it, put it all down on paper—the smells, the sounds, the people, the feel of the place. The novel is a virtuoso performance, and sf/fantasy fans will gobble it up. ” —Booklist (starred review)

Contrary to the popular opinion that Red Seas Under Red Skies, the second book in the Gentleman Bastard Sequence series, is weaker than its predecessor, I'm more inclined to say that its not inferior nor superior but its equally great with The Lies of Locke Lamora in a different way.

Fans of the first book knew there was plenty of room for raising the stakes, and it seemed as though Red Seas Under Red Skies would deliver on that.

Unfortunately the main plot - as well as all the characters I'd grown to care about - were told to bugger off around 300 pages in while Locke and Jean

Lamora, Scott Lynch took us on an adrenaline-fueled adventure with a band of daring thieves led by con artist extraordinaire Locke Lamora. Now Lynch brings back his outrageous hero for a caper so death-defying, nothing short of a miracle will pull it off. After a brutal battle with the underworld that nearly destroyed him, Locke and his trusted sidekick, Jean, fled the island city of their birth and landed on the exotic shores of Tal Verrar to nurse their wounds. But even at this westernmost edge of civilization, they can't rest for long—and are soon back to what they do best: stealing from the undeserving rich and pocketing the proceeds for themselves. This time, however, they have targeted the grandest prize of all: the Sinspire, the most exclusive and heavily guarded gambling house in the world. Its nine floors attract the wealthiest clientele—and to rise to the top, one must impress with good credit, amusing behavior...and excruciatingly impeccable play. For there is one cardinal rule, enforced by Requin, the house's cold-blooded master: it is death to cheat at any game at the Sinspire. Brazenly undeterred, Locke and Jean have orchestrated an elaborate plan to lie, trick, and swindle their way up the nine floors...straight to Requin's teeming vault. Under the cloak of false identities, they meticulously make their climb—until they are closer to the spoils than ever. But someone in Tal Verrar has uncovered the duo's secret. Someone from their past who has every intention of making the impudent criminals pay for their sins. Now it will take every ounce of cunning to save their mercenary souls. And even that may not be enough.... Praise for Red Seas Under Red Skies “ Lynch hasn't merely imagined a far-off world, he's created it, put it all down on paper—the smells, the sounds, the

They say that the Thorn of Camorr can beat anyone in a fight. They say he steals from the rich and gives to the poor. They say he's part man, part myth, and mostly street-corner rumor. And they are wrong on every count. Only averagely tall, slender, and god-awful with a sword, Locke Lamora is the fabled Thorn, and the greatest weapons at his disposal are his wit and cunning. He steals from the rich - they're the only ones worth stealing from - but the poor can go steal for themselves. What Locke cons, wheedles and tricks into his possession is strictly for him and his band of fellow con-artists and thieves: the Gentleman Bastards.

factors cause his will to crumble: Jean ' s imploring—and the Bondsmage ' s mention of a woman from Locke ' s past: Sabetha. epic fantasy--featuring stories by George R. R. Martin, Scott Lynch, Megan Lindholm, and many more! Hot on the heels of award-winning editor Gardner Dozois's (Rogues, Old Venus) acclaimed anthology *The Book of Swords* comes this companion volume devoted to magic. How could it be otherwise? For every Frodo, there is a Gandalf...and a Saruman. For every Dorothy, a Glinda...and a Wicked Witch of the West. What would Harry Potter be without Albus Dumbledore...and Severus Snape? Figures of wisdom and power, possessing arcane, often forbidden knowledge, wizards and sorcerers are shaped--or misshaped--by the potent magic they seek to wield. Yet though their abilities may be godlike, these men and women remain human...some might say all too human. Such is their curse. And their glory. In these pages, seventeen of today's top fantasy writers--including award-winners K. J. Parker (*The Two of Swords*), Megan Lindholm (*The Windsingers*), John Crowley (*The Deep*), Tim Powers (*Last Call*), Liz Williams (*Snake Agent*), Elizabeth Bear (*Eternal Sky Trilogy*), George R. R. Martin (*A Song of Ice and Fire*), Kate Elliott (*The Court of Fives Trilogy*), Scott Lynch (*The Republic of Thieves*), and more--cast wondrous spells that thrillingly evoke the mysterious, awesome, and at times downright terrifying worlds where magic reigns supreme: worlds as far away as forever...and as near as next door"--
