The SAT score helps determine acceptance into college and the acquisition of scholarships. In the new expanded edition of the SAT & College Preparation Course for the Christian Student, Dr. James Stobaugh offers the Christian student a unique opportunity to be well prepared for the test. Also, students will focus on the spiritual disciplines of Bible reading, study, Scripture meditation and memorization, and prayer. A former SAT scorer, Stobaugh reports, "the best SAT scores come from students who have serious, disciplined prayer and devotional lives." For this reason, the introduction to each lesson includes Scripture reading and a devotional journaling exercise. Critical thinking and essay writing are major themes within the SAT. Stobaugh coaches the Christian student who might otherwise passionately respond to a leading essay question without hitting the marks that the test is measuring.
