All Puerto Rican recipes begin with “El Pilón”. The name of the art piece on the cover of this book. Hence, a

Online Library Storie Y

true Puerto Rican kitchen always has a pilón. El Pilón will bring you back to abuela's (grandma's) house where you might have observed her smashing ajo (garlic) and other herbs to make your favorite treat. Puerto Ricans when they visit the Caribbean also look for very decorative pilones to gift to their mothers, daughters, sisters and dear friends. You can not make traditional Puetro Rican dishes without EL Pilón. El Pilón has brought me back to "Cooking and Telling Stories" about my growing up years next to mami, abuela and titi. Read through the stories and the

Online Library Storie Y

recipes, cook from them and remenice with me and get your pilón to work. Yo quiero, arroz con gandulez con lechon y pastels pero que le hechen salsa.....if you don't know how to cook it, open the book and grab your children, family and friends put on some Salsa and get your Pilón!

"Sarah Hirschman's book is ... really a manifesto for an approach to education that does all these more human, more important things." -Danielle Allen, Professor, Institute for Advanced Study, Princeton, New Jersey "I'd love to see People and Stories programs

Online Library Storie Y

for the parents of children in every at-risk school district in the country."

-Robert Hass, US Poet Laureate, 1995-1997 People and Stories / Gente y Cuentos describes how men and women on welfare or in rehabilitation centers, prisoners, rural workers, disadvantaged youth, or just ordinary community members are offered the chance to experience literature in a way they have not been able to in the past. Founded by Sarah Hirschman, People and Stories / Gente y Cuentos encompasses groups of common, often under-served adults in the United States, France, and Colombia who

Online Library Storie Y

enjoy reading and discussing works of literature. Upon attending a seminar with the philosopher, Paulo Freire, and working with groups in New York's Lower East Side and Dorchester, Massachusetts, she created Gente y Cuentos in Spanish. Some years later, the English-language People and Stories program was added. Currently, Gens et Recits in French is being developed in Paris and in the southwest of France. This book describes the various influences that led to the development of this method. The clarity of the explanations and the attention to detail should

Online Library Storie Y

help those who want to organize similar discussion groups in their own communities."

Rich selection of works by Nicaraguan writer Rubén Darío, the high priest of the modernismo school of literature, features poems and stories from *Azul* (Blue), *Prosas profanas* (Worldly Hymns), and others.

A collection of scary stories based on the lore of New Mexico, in English and in Spanish.

This premiere collection of sometimes mind-binding, sometimes funny, sometimes

Online Library Storie Y

just plain weird cross-genre stories by Heidi Cyr is an exploration of that age-old question: Is it really love, or just another psychotic episode?

Melanie Fletter was a quirky, intelligent, compassion young woman. This book is a testament of a mother's love for her daughter. Told through Melanie's diary entries and poems, along with recounted memories of friends and family members, the story of Melanie's growth from a sweet young girl with 'knocky' shoes to a vibrant young woman is heartwarming and rich. Although Melanie

Online Library Storie Y

faced a life marred by the terrifyingly common disease of epilepsy, she explored the world around her, discovering love, fighting with her parents and making amends, and struggling through the awkward teenage years. In one poignant snippet of foreshadowing, Melanie writes her own eulogy for an honors English class in school. This emotionally touching excerpt tells her life's dreams and accomplishments: "Melanie met many friends, with her natural open heart, straightforward attitude, and friendly smile. She knew what she wanted, and she went after it with a

Online Library Storie Y

positive attitude.”

This is an allegory.

In an attempt to interview forgotten outsider musician Y. Bhekhirst, Alex, an aspiring rock journalist, travels the backroads of Mexico along with his girlfriend, Primavera, his best friend/drug dealer Larry AKA Lobster, and John, the ghost of a singer trapped in his own record. Along the way they discover towns that disappear overnight, waiters without mouths, cartel bosses with mysterious powers, anarchist militias, and churches which contain infinite worlds.
