Technical Guide to JTAG This document provides you with interesting background information about the technology that underpins XJTAG. You do not need to know any of this however to be able to use the XJTAG development system as XJTAG tests are developed in a high-level programming language that does not require any knowledge of the detailed working of JTAG.

---

Technical Guide to JTAG - XJTAG Tutorial

The term technical documentation (or technical file) refers to all the documents that a medical device manufacturer has to submit. The technical file is a requirement for the conformity assessment and, therefore, for the approval of medical devices. 1. Regulatory requirements for the technical documentation a) Medical Device Directive 93/42/EEC ...
