The Dark Threads is an absorbing and compelling read. I found some of the accounts of how psychiatry was practised very disturbing indeed. Jean Davison has written a brilliant book; it is essential reading for anyone working in the mental health field and though not an easy read it's a book that stays in the mind.

(Image credit: Sony) The Sony VPL-VW590ES is an update to the VPL-VW550ES, a projector we gave five stars when we reviewed it back in 2017.The new model is much the same in terms of size and core spec. At 50cm wide and weighing 14kg, it takes up the kind of space one would expect of a native 4K projector and is suitable for either ceiling- or rack-mounting.

Maybe some particularly unpleasant predators around in the dark. On some planets - maybe 'Pitch-Black' type nocturnal wildlife that would need a serious number of turrets to deal with. - Make some of the wildlife try to get into your base if you leave a door open or other opening etc - encourage us to put internal sentry guns up (no - dont cheat and spawn them inside).
