Figuring it's better to read a clunker than watch Dancing With Stars, I picked up Eagle In The Sand and was pleasantly surprised. The change of venue to Judea is a cultural bonanza and much needed. As interesting as the early setting in Britain was, it wore thin after four novels. The Eagle's Prophecy (a Roman Galley setting) was

needs to win over the locals after some of their religious figures have started revolts - and since the Romans crucified the last charismatic Judaeian leader, the natives' rebellions have become bolder. Not only are these small villages causing trouble, but there are also thousands of Parthians eager to fight Rome. With the threat of suicide attacks and even all-out war, Cato and Macro have their peace-keeping work cut out...
