A new publication of the definitive translation of Homer's epic brings the ancient poem to life, chronicling the Greek siege of the Trojan city state and the war that ensued.

Anger be now your song, immortal one, Akhilleus' anger, doomed and ruinous, that caused the Akhaians loss on bitter loss and crowded brave souls into the undergloom, leaving so many dead men-carrion for dogs and birds; and the will of Zeus was done. -Lines 1-6 Since it was first published more than twenty-five years ago, Robert Fitzgerald's prizewinning translation of Homer's battle epic has become a classic in its own right: a standard against which all other versions of The Iliad are compared. Fitzgerald's work is accessible, ironic, faithful, written in a swift vernacular blank verse that "makes Homer live as never before" (Library Journal). This edition includes a new foreword by Andrew Ford.

With her virtuoso translation, classicist and bestselling author Caroline Alexander brings to life Homer's timeless epic of the Trojan War. Composed around 730 B.C., Homer's Iliad recounts the events of a few momentous weeks in the protracted ten-year war between the invading Achaeans, or Greeks, and the Trojans in their besieged city of Ilion. From the explosive confrontation between Achilles, the greatest warrior at Troy, and Agamemnon, the inept leader of the Greeks, through to its tragic conclusion, The Iliad explores the abiding, blighting facts of war. Soldier and civilian, victor and vanquished, hero and coward, men, women, young, old—The Iliad evokes in poignant, searing detail the fate of every life ravaged by the Trojan War. And, as told by Homer, this ancient tale of a particular Bronze Age conflict becomes a sublime and sweeping evocation of the destruction of war throughout the ages. Carved close to the original Greek, acclaimed classicist Caroline Alexander's new translation is swift and lean, with the driving cadence of its source—a translation epic in scale and yet devastating in its precision and power.

The Odyssey is vividly captured and beautifully paced in this swift and lucid new translation by acclaimed scholar and translator Peter Green. Accompanied by an illuminating introduction, maps, chapter summaries, a glossary, and explanatory notes, this is the ideal translation for both general readers and students to experience The Odyssey in all its glory. Green's version, with its lyrical mastery and superb command of Greek, offers readers the opportunity to enjoy Homer's epic tale of survival, temptation, betrayal, and vengeance with all of the verve and pathos of the original oral tradition.

TOLSTOY CALLED THE ILIAD A miracle; Goethe said that it always thrust him into a state of astonishment. Homer's story is thrilling, and his Greek is perhaps the most beautiful poetry ever sung or written. But until now, even the best English translations haven't been able to re-create the energy and simplicity, the speed, grace, and pulsing rhythm of the original. In Stephen Mitchell's Iliad, the epic story resounds again across 2,700 years, as if the lifeblood of its heroes Achilles and Patroclus, Hector and Priam flows in every word. And we are there with them, amid the horror and ecstasy of war, carried along by a poetry that lifts even the most devastating human events into the realm of the beautiful. Mitchell's Iliad is the first translation based on the work of the preeminent Homeric scholar Martin L. West, whose edition of the original Greek identifies many passages that were added after the Iliad was first written down, to the detriment of the music and the story. Omitting these hundreds of interpolated lines restores a dramatically sharper, leaner text. In addition, Mitchell's illuminating introduction opens the epic still further to our understanding and appreciation. Now, thanks to Stephen Mitchell's scholarship and the power of his language, the Iliad's ancient story comes to moving, vivid new life.

Robert Fitzgerald's is the best and best-loved modern translation of The Odyssey, and the only one admired in its own right as a great poem in English. Fitzgerald's supple verse is ideally suited to the story of Odysseus' long journey back to his wife and home after the Trojan War. Homer's tale of love, adventure, food and drink, sensual pleasure, and mortal danger reaches the English-language reader in all its glory.

"Spectacular and constantly surprising." -Ken Burns Written with the authority of a scholar and the vigor of a bestselling narrative historian, *The War That Killed Achilles* is a superb and utterly timely

presentation of one of the timeless stories of Western civilization. As she did in *The Endurance* and *The Bounty*, New York Times bestselling author Caroline Alexander has taken apart a narrative we think we know and put it back together in a way that lets us see its true power. In the process, she reveals the intended theme of Homer's masterwork—the tragic lessons of war and its enduring devastation.

'The Odyssey is a poem of extraordinary pleasures: it is a salt-caked, storm-tossed, wine-dark treasury of tales, of many twists and turns, like life itself' Guardian The epic tale of Odysseus and his ten-year journey home after the Trojan War forms one of the earliest and greatest works of Western literature. Confronted by natural and supernatural threats – ship-wrecks, battles, monsters and the implacable enmity of the sea-god Poseidon – Odysseus must use his bravery and cunning to reach his homeland and overcome the obstacles that, even there, await him. E. V. Rieu's translation of *The Odyssey* was the very first Penguin Classic to be published, and has itself achieved classic status. Translated by E. V. RIEU Revised translation by D. C. H. RIEU With an Introduction by PETER JONES
