In practice, however, the
reality of protectionism
today is little different
from what it was in the days
of the Revolution: as
freedom to trade is
restricted, human freedom is
likewise restricted. Thus,
as Thomas DiLorenzo observed
"whenever human freedom
advances, as it did with the

American Revolution, also called United States War of Independence or American Revolutionary War, (1775–83), insurrection by which 13 of Great Britain's North American colonies won political independence and went on to form the United States of America. The war followed more than a decade of growing estrangement between the British crown and a large and influential segment of its North ...
