NEW COVER The Rocker... I was the fun loving, easy going, different girl-okay, different girls every night-Demon. One look into a pair of violet eyes and all of that changed. She doesn't even realize how beautiful she is and that makes me want her even more. Realizing that she is just as damaged as I am breaks my heart. Harper is a part of me, my other half. If only she would open her incredible eyes and see how I feel... The Beauty... I knew that I wasn't Shane Stevenson's type. Hot rockers don't go for plain girls like me. Years of my mother telling me just how unbeautiful I am has assured me of that. I have nothing to offer a guy that is so used to hot girls drooling over him. So why is he always there when I turn around? And why does it feel like little needles piercing my heart at the mere thought of him with someone else?

NEW COVER Touring with four rockers is the thing of dreams... At least that is what people tell me. To me those four rockers are my family. They have watched over me from the time I was five years old. Protecting me from my mother and her drunken, drug addict rages. When they made it big they still watched over me. And when my monster of a mother died they took over as my guardians. In the six years since that happened I have watched over the four men that mean everything to me. I take care of them just as they once took care of me. I handle all the dirty work behind the scenes of a rockers life. It isn't always pretty. At times it can be damn near disgusting, especially when I have to get rid of their one night stands. Ugh! Taking care of them doesn't bother me though. I mean it's not like I'm in love with one of them. That would be crazy. Falling for a rocker is NOT smart. Okay, so I'm not smart. I love my guys, and one of them kind of holds my heart in his big old rocker hand. But I'm dealing. I've been able to keep it my little secret for years now. I'm not, however, dealing with this bug that I seem to have caught. It scares the hell out of me. I hate doctors, but I'm suddenly more worried about finding out what is wrong with me than what the doctor might do to me. When I get my test results back my life will never be the same again... ""Because of language and adult situations not suitable for readers under 17""

NEW COVER MATURE CONTENT. NOT FOR READERS UNDER 17. The Demon... I've been fighting my own demons for most of my life. The alcohol seems to numb the pain, but it never makes the nightmares go away. All I want in life is a little peace. When I met my angel it felt like I found it, but there is so much standing between us. Why does she have to be so young..? The Demon's Angel... Meeting Drake was the best thing to ever happen to me. I found my friend, my soul mate. But he lets my age stand between us. There is something that haunts him, and I selfishly want to be the one that helps him conquer his ghosts. If he would just let me in, let me closer. I think I could help him...Show more Show less

""Mature Content"" ""Not Intended For Readers Under The Age Of 17"" "" A Bet... Yes, I made a bet with my best friend-my now ex-best friend. It had been a stupid, heat of the moment kind of thing. I'd just wanted to get her out of my system and move one. Instead I've lived to regret it ever since. I lost the girl I loved, a girl that possessed my very soul. Now I can't even get close to Natalie. She thinks all she ever meant to me was just the means to the end of a stupid, stupid game...For a Bet! In the span of one night I'd gone from thinking I had a future with the man I loved to SHATTERED at his feet. I can't get over it. The pain is too strong, too destructive as it festers more and more inside of me. And then my friend came up with the perfect revenge for both our broken hearts. "I bet you..." Those three little words gave me a reason to bail my pain up and throw it back in Devlin Cutler's face. I would let him back in, let him think he had a chance with me once again. And then I would walk away, leaving him broken and bleeding at my feet as he once had left me. This time he would be the one SHATTERED.

NEW COVER The Rocker That Savors Me Layla...has had a hard life. On her own at a young age, always having to do what needed to be done just to survive. Now she has two other people depending on her and she needs a job fast before they get evicted. A job interview introduces her to Jesse Thornton, the delicious drummer for Demon's Wings. He reminds her of all the mistakes of her past, but is also her hope for the future. Jesse...has never let anyone in. The only real family he has ever had are his band brothers and Emmie-the only woman he has ever loved. But then Layla comes into his life and he would do just about anything to get one taste. Can he move past his own insecurities and allow this woman into his heart?

Would she ever open those big green eyes and see me as anything but a friend?

From the award-winning author of Waiting and War Trash: an urgent, timely novel that follows an aspiring author, an outrageous book idea, and a lone journalist's dogged quest for truth in the Internet age. New York, 2005. Chinese expatriate Feng Danlin is a fiercely principled reporter at a small news agency that produces a website read by the Chinese diaspora around the world. Danlin's explosive exposés have made him legendary among readers—and feared by Communist officials. But his newest assignment may be his undoing: investigating his ex-wife, Yan Haili, an unscrupulous novelist who has willingly become a pawn of the Chinese government in order to realize her dreams of literary stardom. Haili's scheme infuriates Danlin both morally and personally—he will do whatever it takes to expose her as a fraud. But in outing Haili, he is also provoking her powerful political allies, and he will need to draw on all of his journalistic cunning to emerge from this investigation with his career—and his life—still intact. A brilliant, darkly funny story of corruption, integrity, and the power of the pen, The Boat Rocker is a tour de force of modern fiction.

Jamison Matthews has lusted after Ryder Montgomery since she was a preteen. But now that Ryder and her brother's band, Shaken Dirty, has made it huge, she's just one of many pining for the brooding lead singer. Too bad Ryder still sees her as a little sister. Not that it matters. Her brother would never allow it, and the last thing Jamison wants is to be another notch on a rock star's bed post. Even if it's Ryder's. Ryder doesn't deserve happiness. After his fame destroyed his last girlfriend, he swore he'd never fall in love again. So when Jamison, the girl he's been in danger of loving for years, joins the band on the road, he'll do anything to deny the sparks between them—even after one hot night together. But Jamison is determined to show Ryder that he's worthy of love—her love—and that she's all grown up and ready to play. Each book in the Shaken Dirty series is STANDALONE: * Crash Into Me * Drive Me Crazy * Fade Into You

Liam From the moment I set eyes on that brown eyed, little Italian rock goddess I knew she was meant for me. But my life was too messed up to give her what she needed. So I pushed her away-right into the arms of my band's front man-only to regret it the second I saw them together. The moment they were over I tried to clean up my act and chased after that girl until she was mine. But like always, I let my demons screw with my head and went looking for my next fix. I knew if she found out I would have to choose between the numbness that the drugs gave me, and the best thing that had ever happened to me. I chose wrong. Gabriella The second that I found out Liam was in a car accident that fateful New Years Eve night, I knew I'd made the worst mistake in not trying to fight for him. For us. I never should have pushed him away, but tried to help him through his battle with addiction. When he woke up in the hospital and saw me standing beside of him, I knew that I had killed the love he had for me and all that was left was hate. Now, more than a year later, I knew the truth about that crazy night. I knew why he'd pushed me out of his life, and I was going to stop at nothing to get the man who owns me-heart and soul-back. That is if I can survive the night...
