Contesting the Subject: Essays in the Postmodern Theory ...

In so doing, theory assists teacher educators and teachers to critically reflect on education policy issues that impact positively or negatively on best practice in the classroom. It is, therefore, important to recognise the role that theory can play in educational research and practice in teacher education.

THEORY IN EDUCATIONAL RESEARCH AND PRACTICE IN TEACHER ...

This capstone subject examines the theory and practice of art history. Through a survey of the different approaches to the study of art which have emerged since the early modern period the subject will provide students with a fundamental grounding in the methodologies of the discipline. Students will also learn the broader critical and analytical skills necessary for the study of art at higher levels.

This subject considers what is theory and what is theorising in the specific context of organisations and organisation theory. It covers both mainstream classical business theorising and some alternatives. This examination should lead to an understanding that theory and organisational reality interact, influencing and shaping each other.

21612 Understanding Organisations: Theory and Practice

Pedagogy (/ ˈ p ɪ d ə ɡ ɒ ð ɪ , ˈ oʊ d i , ˈ ɒ ɡ ɪ /), most commonly understood as the approach to teaching, is the theory and practice of learning, and how this process influences, and is influenced by, the social, political and psychological development of learners. Pedagogy, taken as an academic discipline, is the study of how knowledge and skills are imparted in an educational ...

Also fundamental to Marxism is the thesis that the subject of practice and knowledge is not an "epistemological Robinson", but a vehicle of sociality, "the ensemble of the social relations" (Marx). Since the subject's being socially conditioned implies his membership of a social group, particularly some class or other, this is bound to have an effect on the character of both practice and knowledge.
