A daring memoir of love, magic, adventure, and miracles, Victor Villaseñor's Thirteen Senses continues the exhilarating family saga that began in the widely acclaimed bestseller Rain of Gold, delivering a stunning story of passion, family, and the forgotten mystical senses that stir within us all. Thirteen Senses begins with the fiftieth wedding anniversary of the aging former bootlegger Salvador and his elegant wife, Lupe. When asked by a young priest to repeat the sacred ceremonial phrase "to honor and obey," Lupe surprises herself and says. "No, I will not say 'obey'. How dare you! You don't talk to me like this after fifty years of marriage and

I now knowing what I know!" After the hilarious shock of Lupe's rejection of the ceremony, the Villaseñor family is forced to examine the love that Lupe and Salvador have shared for so many years -- a universal, gut-honest love that will eventually energize and inspire the couple into old age.

In *Rain of Gold*, Victor Villaseñor weaves the parallel stories of two families and two countries...bringing us the timeless romance between the volatile bootlegger who would become his father and the beautiful Lupe, his mother—men and women in whose lives the real and the fantastical exist side by side...and in whose hearts the spirit to survive is fueled by a family ' s unconditional love.

De pie frente al público, Victor Villaseñor miró al grupo de maestros sentados frente a él, y su mente se llenó de recuerdos de infancia llenos de humillación y abuso por parte de sus profesores. Se sintió enfurecer. Con el corazón en la mano, comenzó a hablar de esos abusos. Y cuando terminó, para su gran sorpresa, encontró a todos los profesores de pie aplaudiéndolo enfáticamente. Muchas de las personas en el público no lograban contener sus lágrimas. Así comienzan las conmovedoras y apasionadas memorias de Victor Villaseñor. A pesar de ser muy talentoso e imaginativo desde muy niño, tuvo que vivir con una dificultad de aprendizaje (no fue sino hasta los 44 años de edad que fue diagnosticado con un caso grave de dislexia), y la frustración de ser latino en una escuela americana en la que sólo se hablaba inglés. A pesar de los profesores que lo maltrataban porque no podía hablar inglés, Villaseñor se aferró a su sueño de un día convertirse en escritor. Hoy en día, es considerado uno de los autores más importantes de nuestra era.

Beyond Rain of Gold is the incredible story behind the writing and publication of Victor Villaseñor ' s national bestseller Rain of Gold. It captures the difficult and courageous path the author followed to ensure that his family ' s saga would be published as the authentic, true account it is. The real power of this book lies in the sacred relationship that Villaseñor has with his father, mother, and ancestors. In other words, Beyond Rain of Gold encompasses the magical messages that Villaseñor ' s indigenous ancestors told him are universal themes common to native peoples everywhere on this planet . . . and at one time we were all indigenous. This is an exciting, raw, and honest work, with events occurring that transcend the boundaries of what we normally call reality. And like Carlos Castaneda ' s Don Juan trilogy, Beyond Rain of Gold explores altered states of consciousness, revealing the wisdom and magic inherent in everyday existence. This is a book that will make you see the world in an entirely different way, and which will stimulate your mind and emotions to create a New Earth way of thinking and being!

Growing up on his parents ' ranch in North San Diego County, Victor Villaseñor ' s teenage years were marked by a painful quest to find a place for himself in a world he did not fit into. Discriminated due to his Mexican heritage, Victor questions the tenets of his faith and the restrictions it places on his own spirituality and sexuality. Ultimately, his search for identity takes him to Mexico to learn of his family ' s roots, where he soon discovers that his heritage doesn ' t determine his intelligence or success. Through this often humorous and poignant tale, Victor deftly undermines the macho stereotype so often associated with Latinos, while exposing the tender vulnerability and naïveté of a young man grappling with the roles foisted on him by the church

and society. Victor ' s youthful misadventures elicit sympathy, laughter, and tears as he attempts to divine the mysteries of the opposite sex in this powerful, revealing memoir. “ The clarity that comes from Villaseñor ' s personal and cultural experience is not matched in any of Steinbeck ' s major works ” (Los Angeles Times).

In the American Indian belief, it is said that we never really know who we are until we find our totem, and once we do, then everything falls into place, even in the midst of chaos. Lion Eyes is the exciting true story of Jan Milburn, who came face-to-face with his totem-and was transformed. As a love-deprived young child, he got lost in a snowstorm in the Santa Cruz Mountains of California, and a huge mountain lion led him safely home . . . setting him on a course for a miraculous life. Acclaimed best-selling author Victor Villaseñor gives voice to Jan's thrilling tale, full of danger, clashes between light and darkness, romance, and healing miracles. Against the backdrop of the '60s-a time of love and war, a time of turmoil and social upheaval, a time of young people's exuberant exploration while the establishment tried to hold on to the past-Jan Milburn chose an unusual calling . . . becoming the youngest minister ever ordained by the state of California. Jan's spiritual path, incredibly, led him from San Francisco's Haight-Ashbury District of the '60s to

Mexico, and into the darkness of the drug world. Hunted by a notorious assassin, he stared down death and encountered the very depths of depravity and violence-but ultimately awakened to his magical Spirit Guides and the Kingdom of God within each of us that transcends religion and "of-the-body" limitations. It was at this time that Mireya, a beautiful young Indian girl, saw in Jan the noble heart of a lion and the vision of an eagle. Nothing could get in the way of her love and admiration for this man. It was written in the stars, she said. Eventually, Mireya and Jan married and were instrumental in helping to return more than two million acres of stolen land to the Tarahumara Indians of Chihuahua, Mexico. Lion Eyes is a mystical, heartfelt, soul-inspiring love story of timeless relevance. It shows us that our global future lies not just in our politics and religious beliefs, but also in our unwavering love and our forgotten native wisdom that once we find our totem, everything falls into place, even amidst chaos . . . illustrated by one man's incredible life, which can become the norm for all of humanity!
