The Lal Kitab, a rare book in urdu, was popular in north-west India, Pakistan, Iran and many other countries. This English version has added new dimensions to make it more lucid and easier to understand.

"... Is a collection of writings with accompanying sound examples detailing the composition of musical works where the organisation of the sounds themselves is of primary importance. The book is based on various illustrative lectures originally presented by the author on the completion of particular compositional projects. Its focus is on the musical structuring of the works." -- P. [4] de la couv.

Molecular Host Plant Resistance to Pests examines environmentally safe and integrated techniques for effective pest management. Offering more than 1500 references for further exploration of the topic, this reference details the bioactivity, biosynthetic pathways, mechanisms of action, and genetic regulation for improved methods of crop protection a

Options Trading Handbook There are thousands of books on Options but you wouldn't find the knowledge that this book provides. The writers provide you descriptive knowledge of options, option Greeks etc. None of the books would provide you the practical concepts on Options that may enable even a semi-literate person to use Option Trading to get rich. This book, that covers the latest information right from the ABCs of Options to Option Greeks in a very simple language, is a rare work of Mahesh Kaushik, the most read research analyst of the Indian stock market. Kaushik likes to explain complex subjects in simple terms. Keeping the same in mind, this book has also been written in the format of a story to ensure you don't get bored at any point while reading it. The character in the story Ghisu Bhai is a common waiter and the book, written in an autobiographical style, describes how Kaushik went about teaching him Option Trading.

Classical work on Hindu astrology.

This Companion serves both as an introduction for the interested reader and as a source of the best recent scholarship on the author and his works. In addition to analysing his major texts, the contributors provide insights into Hemingway's relationship with gender history, journalism, fame and the political climate of the 1930s. The essays are framed by an introductory chapter on Hemingway and the costs of fame and an invaluable conclusion providing an overview of Hemingway scholarship from its beginnings to the present. Students will find the selected bibliography a useful guide to future research. Contributors include both distinguished established figures and brilliant newcomers, all chosen with
