The popular 4
way Telecaster
wiring mod goes
one better than
the classic 3
way Tele wiring.
With standard
Telecaster
wiring, the
switch gives you
the options of

Where To Download

playing the neck pickup, the bridge pickup and playing both in parallel. By upgrading to a 4 way switch, this mod allows you to play both pickups in series, offering a fuller, fatter tone. The best thing about this

Where To Download

mod is that you actually keep the classic 3 way options still available to you.

*4 Way Telecaster
